Blox–Lite™
[opaque banner material]

FSC®–Certified

Blox-Lite is a FSC®-certified, recyclable, bright white and printable two-sided composite media. The product employs a multi-ply system for maximum light blocking properties.

100% Recyclable

This C2S (coated two side) heavyweight material is a sustainable alternative to non-recyclable, block out PVC vinyl for hanging signage.

Dimensionally Stable

Blox-Lite is moisture-resistant and suitable for sewing, grommeting, and can even be assembled or fabricated with rod pockets using double-faced tape.

conVerd is your green resource for 100% sustainable products like these:

Enviroboard® MR [rigid media]
EnviroScape™ Mural Plus! [wall & window scaping material]
GreenLight™ Plus! [backlit signage]
